The groups are unique but truly world-class talents. Both tour the world and have floored audiences just about everywhere. There will be a bar open serving drinks and food all night, plenty of seating and standing room, and a great ambiance at Casselman's which is like the Soiled Dove meets the Bluebird. Plus, there's FREE PARKING galore!

baSix is a group out of Denmark, so make sure to take the rare opportunity to see this gold-record selling group. Spanning pop, jazz, r&b, soul, and rock and blending strong original compositions with innovative arrangements of timeless songs, these six Danish vocalists continue to amaze an ever-increasing number of listeners around the world.

m-pact is a group out of the US but have been seen as far as Korea performing showcases and teaching master classes; truly the experts. Hailed "one of the best pop-jazz vocal groups in the world" by the San Francisco Chronicle, m-pact is respected worldwide as a cutting edge trailblazer in the realm of vocal music. Emerging from an age of auto-tune and overproduction, this Los Angeles-based sextet has cultivated a new generation of ears hungry for the fresh, raw power of nature's "first instrument" – the human voice.

Three-peat collegiate competition winners MiLE 21 will open the show with their remarkable talents—you're sure to see and hear something new every time they perform.
